### AMA Board of Directors Announces New Leadership

The Alberta Museums Association (AMA) Board of Directors is happy to announce that we have completed our search for a new Executive Director / CEO.

We are excited to share that Jennifer Forsyth will be the new Executive Director / CEO of the Association. Jennifer has been with the AMA since 2008 in many roles, including Program Lead, Advancement Lead, and Interim Executive Director of Governance. She brings years of experience in the sector, strong relationships with members, and an exciting view for the future. We are confident that she will help bring the AMA and the sector out of the pandemic and into the next chapter stronger than ever.

We would like to share our heartfelt thanks to both Jennifer and Lauren Wheeler for their work as Interim Executive Directors during this time. Jennifer will assume her new role effective January 4, 2022.

Finally, we would like to thank all those who applied and shared their time with us during the interview process.

If you have any questions about this transition, please contact the Board at [board@museums.ab.ca](mailto:board@museums.ab.ca).
